DIG IT DOGS GUIDELINES FOR BRINGING CHILDREN TO CLASSES

At Dig It training club we welcome your children to come to class with you to help to train your dog with you. We have set out a few guidelines below that will help to keep the training safe and comfortable for both you and your dog and everyone else's dogs in the class.

Please ensure that:

1. Your children remain seated with you in the area that has been allocated to you and your dog.
2. Children are not allowed to roam, run or walk around the hall before, during or after a class.
3. Only one child at a time is permitted to work with the adult to prevent confusion for your dog.
4. Your children do not interfere with another dog in the class or outside in the car park.
5. The adult teaches the dog first to ensure the dog understands the exercise and then you can teach your child how to complete the exercise.
6. Your children are your responsibility and Dig it Dogs take no responsibility for an accidents or injuries that occur as a result of you bringing your child to class.
