Heights:

Please note there is an overlap between the large and medium jump heights giving those handlers with smaller large dogs the choice of heights. A dog may only be entered in **one** height for the series.

	Height of dog	Height of jump
Toy (Available for all levels)	For dogs measuring 11 inches (~260mm) or under at the withers.	Jump height 10".
Small	dogs measuring 13.75 inches (~350mm) or under at the withers	Jump height 14"
Medium	dogs measuring over 13.75 inches (~350mm) and measuring 17 inches (~430mm) or under at the withers	Jump height 18"
Standard	For dogs measuring over 17 inches (~430mm) and measuring 20 inches (~510mm) or under at the withers	Jump height 22".
Large	For dogs measuring over 17 inches (~430mm) at the withers	Jump height 26"

NB: Toy and standard heights are optional, the handler may choose to jump their normal KC height (small/large) if they prefer. We reserve the right to measure any entered dog. We accept KC record book measurements for Small and Medium dogs, and UKA measurements for Standard dogs.

Marking of Classes:

Classes will be marked according to standard Kennel Club rules with the following exceptions:

- Up contacts will not be marked.
- None of the following will be used in any course: tyre, well, wall, table.
- A silent toy may be carried in the ring during competition in Beginners and Veteran classes. The dog may not touch the toy once it has started its round and the toy must not be given to the dog until the dog has crossed the finish line.
- In Veteran classes the dogwalk and A-frame will be lowered and there will be no seesaw.
- All rings will be surrounded by netting.

Course times: These will be calculated using the UKA standard course times. Courses will be measured with a wheel and calculated.

Online Running Orders: A confirmation email will be sent to confirm receipt of your entries. Show information, running orders and ring plans will be available to download from our Website www.digitdogs.co.uk and will be duplicated on our facebook page.

Awards: Prizes in all classes, rosettes to 20% of total runs in each class:

Clear round rosettes in all classes.

Running NFC:

We are happy for any handlers to run their dogs not for competition. However to be fair to those running for competition we ask that you do not use food in the ring and that you either run both runs NFC or your second run. It is not possible to run the first run NFC and the second for competition as this may give an unfair advantage. Please inform the scribe if you are running NFC. You have 60 seconds to train in the ring – timed by an additional timer.
