Levels category:

1) Beginners, Intermediate and Advanced. Separate awards for each height categories.

Grade 3 & 5 dogs: Please note that a grade 3 dog can enter EITHER class beginners OR Intermediate. Grade 5 dogs can enter either Intermediate or Advanced classes. This gives you the option to choose the difficulty of the courses you run.

Level	Definition
Beginners	Open to KC grades 1-3. (There will be no weaves or seesaw for this level). Dogs which are new to G3, i.e. dogs which have started in grade 3 because of another dogs wins are also permitted to enter this class. Dogs which have not gained a total of two Clear Round wins in Beginners (agility and jumping classes only – steeplechase not counted) or above at the Can you dig it winter show series since Nov 2012.
Intermediate	Open to KC grades 3-5. You may choose to run at this level if you dog runs at novice or above at UKA or BAA. There will be weaves and seesaw in these classes. Dogs which have not gained a total of two Clear Round wins in Intermediate (agility and jumping classes only – steeplechase not counted) or above at the Can you dig it winter show series since Nov 2012.
Advanced	Open to KC grades 5-7. You may also choose to run at this level if you dog runs at senior or above at UKA or graduate or above at BAA. Dogs which have not gained a total of two Clear Round wins in Advanced (agility and jumping classes only – steeplechase not counted) or above at the Can you dig it winter show series since Nov 2012.

IT IS THE HANDLERS RESPONSIBILITY TO NOTIFY US OF A LEVEL CHANGE.

2) Veteran – The veteran class is for dogs over 7 years of age. Heights are combined and it is up to the owner as to which height they jump their dogs at. Both the anysize and veterans will be the same as the beginners course but with lowered height contact equipment.

3) Anysize - The anysize class is aimed towards dogs which cannot jump their KC height due for reasons such as injury or inexperience. Toy height is only available in this class. Heights are combined and it is up to the owner as to which height they jump their dogs at. Both the anysize and veterans will be the same as the beginners course but with lowered height contact equipment.

Classes:

There will be no weaves or seesaw in ANY class as we cannot peg them in the Arena.

- 1) Agility x 2 runs – Contacts included (No seesaw or weaves).
- 2) Jumping x 2 runs – No weaves.
- 3) Steeplechase x 1 run – Just jumps and tunnels.

Heights:

Please note there is an overlap between the large and medium jump heights giving those handlers with smaller large dogs the choice of heights. A dog may only be entered in **one** height for the series.

	Height of dog	Height of jump
Toy (Available for all levels)	For dogs measuring 11 inches (~260mm) or under at the withers.	Jump height 10"
Small	dogs measuring 13.75 inches (~350mm) or under at the withers	Jump height 14"
Medium	dogs measuring over 13.75 inches (~350mm) and measuring 17 inches (~430mm) or under at the withers	Jump height 18"
Standard	For dogs measuring over 17 inches (~430mm) and measuring 20 inches (~510mm) or under at the withers	Jump height 22"
Large	For dogs measuring over 17 inches (~430mm) at the withers	Jump height 26"

NB: Toy and standard heights are optional, the handler may choose to jump their normal KC height (small/large) if they prefer. We reserve the right to measure any entered dog. We accept KC record book measurements for Small and Medium dogs, and UKA measurements for Standard dogs.

Marking of Classes:

Classes will be marked according to standard Kennel Club rules with the following exceptions:

- Up contacts will not be marked.
- None of the following will be used in any course: tyre, well, wall, table.
- A silent toy may be carried in the ring during competition in Beginners and Veteran classes. The dog may not touch the toy once it has started its round and the toy must not be given to the dog until the dog has crossed the finish line.
- In Veteran classes the dogwalk and A-frame will be lowered and there will be no seesaw.

Course times: 60 seconds.

Online Running Orders: A confirmation text or email will be sent to confirm receipt of your entries. Show information, running orders and ring plans will be available to download from our Website www.digitdogs.co.uk and will be duplicated on our facebook page.

Awards: Prizes in all classes, rosettes awarded to 5th in all levels.

Running NFC:

We are happy for any handlers to run their dogs not for competition. However to be fair to those running for competition we ask that you do not use food in the ring and that you either run both runs NFC or your second run. It is not possible to run the first run NFC and the second for competition as this may give an unfair advantage. Please inform the scribe if you are running NFC. You have 60 seconds to train in the ring – timed by an additional timer.
